SUBJECT: House Permanent Select Committee on Intelligence
(HPSCI) Hearing on Oversight

1. Thomas Latimer, HPSCI Staffer, called this morning to say that the HPSCI Members would like to have a session with the Director of Central Intelligence on the subject of Oversight. If convenient for the Director, HPSCI has tentatively selected Wednesday, 6 June 1984, at 1400 hours as a time for the hearing. According to the brief conversation I had with Tom Latimer, the Members would like to discuss with the Director differences we seem to have over our respective interpretations of the provisions of the Oversight Act.

2. I am in the process of checking with the Director's secretary to see if this will fit his schedule. As I understand it he will be away from Washington from 25 May through 5 June, and he may not want to tackle this hearing the day after he returns from vacation. I will keep you advised.
